Join us for San Diego Habitat for Humanity's third annual Playhouse Competition at Stone Brewing in Escondido! Gather your team and get your creative juices flowing as this event is a fan favorite for volunteers and the children receiving these playhouses alike.

San Diego Habitat's Playhouse Competition is a great opportunity for your team to participate in teambuilding while giving back to the community. The build day will begin with a delicious lunch provided by Stone Brewing followed by your build day.

Your team will go head-to-head with other organizations for the chance to win our grand prize. Corporate teams will assemble, design, and paint playhouses. Beginners and seasoned professionals are welcome!

We'll finish our day together by enjoying happy hour provided by Stone Brewing. Don't miss out on this opportunity to support your community while competing to win the grand prize!
