Join us for San Diego Habitat for Humanity's eighteenth annual Women Build event. Our Women Build event provides volunteers the opportunity to learn new skills while making an impact in the San Diego community through new construction.

This year's event will be held on our new construction site, Woolem Place, in Escondido. Participants will leave a mark on the community by helping with the construction of a new four bedroom home.

Don't miss out on this opportunity to build on a new construction site, meet new people, and create lasting impact in your community. Each participant will receive an event t-shirt and lunch, with the opportunity to compete for the top fundraiser title and win additional prizes along the way.

Interested in participating as an individual?

Individuals who are interested in participating in Women Build can set up a peer-to-peer fundraising page and raise funds towards the goal of event participation, and aim to go above and beyond while scoring prizes along the way. The top fundraiser will enjoy a grand prize!

To participate as an individual:

- 1 - Register on Classy as a participant.
- 2 - Set a fundraising goal (please note, individuals must raise \$500 minimum to participate in a build day).
- 3 - Compete with friends and other participants for the chance to win a grand prize!
