Join us for San Diego Habitat for Humanity's sixteenth annual Veterans Build event. Our Veterans Build event provides volunteers the opportunity to learn new skills while making an impact in the San Diego community through repair and preservation work on Veteran-owned homes.

Veterans served through San Diego Habitat's Veteran Repair program can afford to stay in their home, but need additional community help to ensure their home is safe to live in for years to come. Volunteers will join together to provide home preservation projects such as fence repair, ramp installment, deck replacement, painting, and drought-tolerant landscaping.

Don't miss out on this opportunity to learn new skills while providing critical home repair and preservation work that will ensure stability for veteran homeowners in our community for years to come. Each participant will receive an event t-shirt and lunch.

Sponsorship Levels & Benefits

	Presenting Sponsor (limit 1)	Platinum Sponsor	Gold Sponsor	Silver Sponsor	Bronze Sponsor
